Dear _____,

Greetings!

The Philippine Society for Developmental and Behavioral Pediatrics will be holding its 9th Biennial Convention on **September 5 and 6, 2017** at the Novotel Manila, Araneta Center Quezon City. This year's theme focuses on being "**Uniquely Different: Embracing Diversity Across the Lifespan.**"

The scientific program includes the concepts of *neurodiversity*, present updates, controversies and answers using recent evidences or researches in the evaluation and management of individuals with neurodevelopmental conditions such as the Autism Spectrum Disorder, Attention-Deficit Hyperactivity Disorder and Learning Disorder. We also included topics on nutrition, digital learning, neurodiversity in employment, and when *neurodiversity becomes neuroharmony*.

As in the past, we would like to invite you to be partner in this endeavor through sponsorship of our souvenir program. Placement options for ads are the following:

Full Page	PhP 15,000.00
Half Page	8,000.00
Quarter Page	4,500.00

The souvenir program not only presents the highlights of the convention, but serves as reference for individuals who need resources for special needs. Distribution of flyers is discouraged during convention.

If you are interested to be part of the program, kindly accomplish the reply slip and submit the requirements and payments to the PSDBP Secretariat or any PSDBP members near your area. Deadline for submission is on **July 31, 2017**.

Thank you very much and we are looking forward to your participation in our convention.

Truly yours,

MARIA PAZ IRENE LUCIDO-BAUTISTA, M.D.
